

INTERNATIONAL TRAVEL & HOSTING FELLOWSHIP

Looking for Rotarians and Partners who

- Enjoy travel
- Enjoy connecting with people of other cultures
- Appreciate Rotary programs such as youth exchange, ambassadorial scholar, group study exchange and friendship exchange
- Enjoy hosting visitors in their homes
- Believe Rotary fellowship does make a difference

ITHF exists to stimulate and facilitate regional, national and international "connections" among its 2200 plus Rotarian members and partners.

Membership in the ITHF implies a desire to accommodate other ITHF visitors; however, such "connections" are always subject to the convenience of the hosts.

"Connections" are self-paced, subject to individual preferences and can coincide with business or pleasure travel.

There is no obligation to accommodate visitors in the home - the "connection" will be richer for it, but some members do not have space for visitors.

INTERNATIONAL TRAVEL & HOSTING FELLOWSHIP

Expanding the World of Rotary through the INTERNATIONAL TRAVEL AND HOSTING FELLOWSHIP

What is the International Travel & Hosting Fellowship?

The ITHF is one of more than eighty fellowships officially recognized by Rotary International. Fellowships are associations of Rotarians who share common interests in worthwhile recreational or avocational activities for the purpose of furthering acquaintance and fellowship.

How does the ITHF function?

(1) Members planning travel (regional, national or international) refer to the annual directory to identify other ITHF members living in that area.

(2) Those prospective hosts are contacted in advance (at least 30 days prior to the intended travel).

(3) Prospective hosts consent to "connections" with visitors subject to their convenience. Details of the visit are worked out between the members.

(4) Successful "connections" imply obligation to return like favor in the future, subject to the convenience of the prospective host.

How does it differ from other Rotary Exchanges?

International Youth Exchange (IYE) is limited to high schoolers. Group Study Exchange (GSE) and Rotary Foundation scholarship ventures are limited to non-Rotarians. Friendship Exchanges usually involve groups of Rotarians on prearranged itineraries. **ITHF** "connections" are self paced, open-ended, subject to individual preferences and coincide with business or pleasure travel.

Who Should Join?

All Rotarians and their partners who enjoy meeting new people, learning about different regions and cultures, and sharing their own interests and lives with others will enjoy ITHF.

What are my obligations?

Membership implies the desire to accommodate other ITHF visitors; however, such connections are always subject to the host's convenience. Members are obligated to respond to all inquiries and to protect directories from unauthorized use.

What do I receive by joining ITHF?

- Immediate membership in a worldwide association devoted to promoting cultural exchange, sharing and fellowship.
- The Members' Guide to ITHF with suggestions for visiting, hosting and communicating with those of other cultures, getting started in ITHF, and making the most of your membership.
- Your personal listing in the annual ITHF Membership Directory and on the website in the secure Members' Area.
